

THE EAGLE

The Eagle

Industry Community Unit School District Number 165, Industry, Illinois

Dedication

We, THE EAGLE Staff of 1957, take great pleasure in dedicating our yearbook, THE EAGLE, to our new school building.

It has been a rare opportunity that the students, faculty, and employees of this school unit have experienced this year. They have seen the climax of much planning and consideration on the part of the community, administration and board of education.

Dedication and Open House for the combined Grade and High School was held Sunday afternoon, October 7, 1956.

The architects were: Phillips & O'Mara of Canton, Illinois. The contractors were: Neil Hummel, Bushnell, Illinois, general construction; Kerr Hardware, Rushville, Illinois, plumbing and heating; and Macomb Electric, Macomb, Illinois, electrical. The total cost was \$507,807.46.

This new school building will be the center of education in the Industry community for many years to come.

The class of 1957 is very honored to be the first class to graduate from our new educational plant.

Senior Class History

On a beautiful September day of 1953, radiant with the sunshine of hope, cheer and joyous promise, the good ship Industry High School stood at the wharf of a new school year. It was the same old ship that had carried many passengers to safe harbor in the Land of Great Wisdom, but this day was a gala day in its history and many people gazed upon it in wonder as they watched the eleven charming young ladies and seventeen brave young men as we so happily stepped aboard, for it was rumored that we were about to set sail over new and untried waters in a quest for The Fountain of Perfect Understanding.

As the ship stood at anchor on that eventful morning in September, the passengers began to arrive. We were naturally very enthusiastic and asked many eager questions as to the incidents of our voyage and its probable length, and were assured if we were persevering and diligent in our duties we should easily reach our destination at the end of four years. So it was with very hopeful hearts and smiling faces that we steamed away from the wharf and out of the harbor, actually embarked for a four years' cruise on our Voyage of High School Life.

We were young and sociably inclined, so it did not take us long to become acquainted with our fellow passengers. Our fears of shipwreck were entirely wiped away in the assurance that so able a staff of seamen had us in their charge. There were, of course, a few cases of sea sickness and various ones were tempted to "throw-up" algebra, English, and other disagreeable dishes, but the Captain told them they would have to consume these indigestibles over and over until they were perfect, and so they bravely managed to keep them down. We elected: Ron Spring, Captain; Joyce Aten, Co-Captain; Donna Twidwell, Secretary; and Burdette Lawyer, Treasurer. Mrs. Sophy Ross, Mrs. Maxine Janes, and Mrs. Maude Kiddoo received the honor of sailing along with us as our advisors.

During this year, we were very ambitious and industrious. The most important event was our initiation held on homecoming day.

As we stopped at Sophomore port, two of our crew members left us. Idola Yocum transferred to Rushville High School, and Dale Parker discontinued his voyage through high school.

The Sophomore sea was very calm except for a few geometry waves occasionally beating the side of our vessel. This year Burdette Lawyer was chosen as Captain; Sterling Sims, Co-Captain; Richard Penington, Secretary; and Brad Fowler, Treasurer. Mrs. Maxine Janes and Mr. Ray Morelli were our advisors.

During this year, three crew members transferred to other high schools. Mary Royer went to Colchester High School and Mary and Orville Hale went to the Carthage High School. We gained a new crew member, Joyce Baumgardner, from Northwestern High School. We all arrived at Junior port safely. This sea was more eventful and we were sailing close to another ship. In the Autumn we entertained everybody by putting on a junior class play entitled, "Susie The Siren." Near the end of this voyage we gave the senior crew a prom and banquet, using the theme "Stairway to the Stars." This turned out to be a very exciting and successful event.

This year, Ron Spring was elected Captain again; Larry Snowden, Co-Captain; Donna Twidwell, Secretary; and Jerry Deener, Treasurer. Mrs. Maxine Janes and Miss Margaret Purman were our advisors. Joyce Baumgardner left us during the year, to continue her education at Bushnell-Prairie City High School.

We arrived in good condition at Senior Port. During this voyage, Eldon Heaton was elected Captain; Burdette Lawyer, Co-Captain; Jerry Deener, Secretary; and Ron Spring, Treasurer. Mrs. Maxine Janes and Miss Margaret Purman were still our sailing advisors. This voyage found many shoals and rocky coasts to steer clear of lest our ship be wrecked on the homeward lap. We successfully got past the rocky island chemistry by burning midnight lights. Between the rough places were calm seas where we enjoyed ourselves very much. We entertained everybody with another class play which was a lot of fun and very successful.

We, the Seniors of 1957, ended our four year cruise through high school with a trip which was enjoyed by all.

Senior Class Prophecy

We find the senior class of 1957 in many different places and occupations, although most of them seem to be successful. Let us visit them and see what they are doing twenty-five years from now.

Joyce Aten and Marshall Litchfield are married. Marshall is a farmer and they have six little nurses and three little doctors.

Stanley Carman lives on Pluto and hunts coons. He is married to Doris Martin and has quite a fortune saved.

Linda Cheesman is married to Duane Cook. They are living on an Army base in Antarctica and they have twenty-one boys, all hot rodders.

Jerry Deener is president of his own company, Escorts, Inc. We hear he is quite popular among the ladies of the continental set.

Brad Fowler is a bachelor and a quite famous photographer. He is filling in for Bob Cummings occasionally on Tuesday nights.

Shirley Frakes is quite rich now. She owns 150 shoe shine stands and has quite a string of boy friends. She says she is going to be an old maid.

Elaine Gray is married to Marlin France and they have two sets of twins.

Diana Haney is now married to Larry Royer and they are living in California, where they have their own animal hospital. They also have two small veterinarians and two small drum majors.

Eldon Heaton is in Hollywood, working as a stand-in for Elvis Presley.

Geoa Keeran is married to a businessman in Mexico. She has her Lincoln convertible, but still can't speak Spanish.

Jim Kelly served 20 years in the Navy in the field of Atomic Energy. Now he is retired and owns his own company, producing Atomic Reactors.

Bobby Kendrick and Luan Teel are married and have a squad of eleven little Peasles'.

Bob Kimball is now a hog farmer and sells Studebakers as a sideline.

Burdette Lawyer is still single. He is retired from pro-football and struggling trying to spend all his Texas oil money.

Roger Norris is married to Sandra Wright and is still buying Model A's for his kids.

Richard Penington is head football coach at Industry High School. He only weighs 175 and is divorced for the sixth time.

Sterling Sims is married to a rich wife. This is his third wife, to be exact. He found them through Escorts, Inc., of which Jerry Deener is the president.

Larry Snowden is married to Marjorie Chockley and is a vice-president for the Hudson-Nash Company.

Donna Twidwell and Ron Spring are married and have a family of eleven football players and one cheerleader. Ron is president of the Industry High '56-'57 Hot Rod Club and is reputed to be running for the office of president of the United Countries of the Earth.

Homecoming

The annual homecoming festivities were started Friday afternoon, October 5, 1956. In the adult division of floats, the West Prairie Church won first place with the theme, "The Little Brown Church in the Wildwood." The Junior Class won second place with, "Pussy Cat, Pussy Cat" and the Industry Home Bureau received third place with "Jack and Jill." In the grade school division, the PTA won first place with "Little Miss Muffet." Neal Skiles won second place with "This Little Pig Went to Market," and the Industry Grade School won third place with "Banbury Cross."

In the evening, Industry played host to Bushnell-Prairie City for the homecoming football game. Industry played Bushnell on even terms the first half of the game, but finally lost to Bushnell 33-12.

The homecoming dance was held on Saturday night. The Student Council sponsored the dance and Spud Griffeth's Orchestra played. The King and Queen were crowned at approximately 10:30 p.m. by last year's king and queen: Karl Plank and Peggy Black. The Queen, King, and Attendants, respectively, were: Joyce Aten, Ron Spring, Diana Haney, Burdette Lawyer, Luan Teel, and Brad Fowler. Members of the royalty were chosen from the senior class by the student body.

On Sunday afternoon, the new building was formally dedicated and open house was held.
